

**Derek Walton, OD**  
**Optometrist**  
**Hometown Eyecare and Optical**  
**Riverton, Wyoming**

**Biography:** Dr. Walton was raised in Riverton and graduated from Riverton High School in 2000. He then received an Associate of Applied Science degree in Business Management at Ricks College, a Bachelor of Science degree in Biology at the University of Wyoming, and a Doctor of Optometry degree in 2011 at the Southern California College of Optometry in Fullerton, CA.

In his first years as an optometrist, Dr. Walton worked with Dr. Ben Kister at Kister Eyecare in Riverton then at Shopko in Utah County, UT. In 2017, he returned to Riverton and purchased Kister Eyecare, renaming it Hometown Eyecare and Optical.

**Workshop:** *Look Into My Eyes* - Learn all about the most incredible part of the human body - the eye. Also, find out what it takes to be an eye doctor. You'll get to check your friend's eyes with the doctor's equipment and dissect a cow's eyeball to see what is inside.
