

**Eric Sheridan**  
**Dentist**  
**Lander Dental Group**  
**Lander, Wyoming**

**Biography:** Dr. Sheridan has been practicing dentistry since 1996, and has been in private practice in Lander, WY since 1999. He received his doctorate degree from the University of Michigan, School of Dentistry, and immediately served his Country via the United States Air Force. He was picked as the NATO dentist serving in Zagreb, Croatia. He was the sole dentist, caring for 23 countries during the Balkan War. Dr. Sheridan also does missionary work in Honduras. He takes routine trips treating patients both in the jungle and along the Mosquito Coast.

**Workshop:** *More than guarding your mouth.* Dr. Sheridan will have a short talk about mouth guards, the differences between store bought and custom guards, and the medical and dental benefits of a mouth guard. Students will break into groups to take impressions and fabricate a mouth guard with the help of Dr. Sheridan and one of his assistants.
