

Glen Gamble
Veterinarian
G Bar G Veterinary Services
Riverton, Wyoming

Biography: Glen Gamble DVM is a Wyoming native who has worked in the oil field, in construction and now, for 25 years, as a veterinarian.

Dr. Gamble is an avid outdoorsman. He loves to hunt, fly-fish, ride in the back country, and ski. He has raised his daughters to love animals and the Rocky Mountain outdoors as well. They are Riverton High School graduates.

Workshop: *Born to Run* - Have you ever wondered what your leg looks like underneath your skin? What is the difference between a vein, artery, nerve? What does it mean to tear your ACL? What does your achilles tendon look like? Let's find out the answers while we dissect an animal's leg.
