**Veterinarian**  
**G Bar G Veterinary Services**  
**Riverton, Wyoming**

**Biography:** Glen Gamble DVM is a Wyoming native who has worked in the oil field, in construction and now, for 25 years, as a veterinarian.

Dr. Gamble is an avid outdoorsman. He loves to hunt, fly-fish, ride in the back country, and ski. He has raised his daughters to love animals and the Rocky Mountain outdoors as well. They are Riverton High School graduates.

**Workshop:** *Brain on Fire* - Have you ever wondered what the inside of an eye looks like? The inside of a uterus? Testicle? Have you wondered what nerves and vessels look like? This is your opportunity to dissect organs and limbs. Maybe you'll even have the opportunity to hold a brain in your hands!
