

Jim Hansen
Clinical Care Coordinator
SageWest Health Care
Riverton, Wyoming

Biography: Jim Hansen provides campus supervision of all departments in the hospital at both Riverton and Lander campuses. He has several years of experience as being a critical care nurse (ICU and Emergency Department), working in the field as an EMT, firefighter and in law enforcement. Jim has 12 years as an ICU/ER nurse, 12 years as a sheriff's deputy, 10 years as a firefighter, and 13 years as an intermediate EMT. He has past experiences in the construction and welding industries.

Workshop: *Explore the Various Career Option in Healthcare* - Jim's session will touch on how math and science are a part of most modern careers. He will focus on various career options in healthcare, general first aid treatment and hands-on calculations with mixing the correct and safe patient medications, something a nurse does numerous times daily. He outlines that math is a vital skill and knowledge set that will help you in the future regardless of where or what you become as an adult! Jim will also incorporate a fire science demonstration and YAW mark calculation for how fast a driver was going in a vehicle accident.
