

**Mike Bingle Davis  
Petroleum Geologist  
Kirkwood Oil and Gas  
Casper, Wyoming**

**Biography:** Mike Bingle Davis is a petroleum geologist currently working at Kirkwood Oil and Gas in Casper, Wyoming. He grew up in North Dakota and attended and received his Master's degree in Geology at University of North Dakota. He has worked with the State of North Dakota as an Environmental Geologist and Cameco Resources as an Exploration Geologist for Uranium. He currently is working as a Petroleum Geologist in Exploration and Development across the Rocky Mountain Region. He served as secretary and is currently continuing education chair in the local Society of Petroleum Engineers (SPE) chapter.

**Workshop:** *Energy, Making our Lives Easier* - Mike will be giving a presentation on how energy makes our lives easier which will include energy trivia and hands-on-activities such as creating undersea oil seeps, core sample analyses, and simulated perforated wellbores, to name a few.
