

Mike Bostick
Professor of Mathematics
Central Wyoming College
Riverton, Wyoming

Biography: Mike Bostick grew up in Torrington, WY and attended the University of Wyoming. In his time in Laramie, Mike earned his Bachelor's degrees in Mathematics and Physics, and a Master's degree in Mathematics. He has been teaching Mathematics at Central Wyoming College since 2010. He has a love for math, science, teaching, and spending time outside with his wife, daughters, and dog.

Workshop: *Bike Jumps* - This interactive workshop will utilize Desmos to investigate the physics and mathematics of projectile motion using video footage of local mountain bikers going off big jumps.
